	OF STATE ENGINEER	
the Certification of the equipmaint composite to the equipmaint state of the e	This is to certify I have examined the foregoing application, and do hereby grant the same, subject to the following itations and conditions: This permit to change the point of diversion and place of use of a portion of waters of an underground source as heretofore granted under Permit 30116, ificate 10586 is issued subject to the terms and conditions imposed in said it 30116, Certificate 10586 and with the understanding that no other rights on source will be affected by the change proposed herein. The well shall be used with a 2-inch opening and a totalizing meter must be installed and tained in the discharge pipeline near the point of diversion and accurate urements must be kept of water placed to beneficial use. The totalizing meter be installed before any use of the water begins or before the proof of letion of work is filed. If the well is flowing, a valve must be installed and tained to prevent waste. This source is located within an area designated by the Engineer pursuant to NRS 534.030. The State retains the right to regulate the of the water herein granted at any and all times. This permit does not extend the permittee the right of ingress and egress on ic, private or corporate lands. The issuance of this permit does not waive the requirements that the permit er obtain other permits from State, Federal and local agencies. The total combined duty of water under Permits 54460, 54461, 54462, 54463, 4, 54465, 54466, 54469, 54470 and 54471 shall not exceed 244 acre-feet annually. This permit is limited to the irrigation of 10.0 acres within the described as of use.	
exce a	o.22224 cubic feet per second , but not to exceed 40.0 cre-feet annually, and not to exceed a yearly duty of 4.0 acre-feet per acre of and irrigated from any and/or all sources.	
	k must be prosecuted with reasonable diligence and be completed on or before October 6, 1995	
	of of completion of work shall be filed before November 6, 1995	
	olication of water to beneficial use shall be made on or before October 6, 1998	
	of of the application of water to beneficial use shall be filed on or before	
	o in support of proof of beneficial use shall be filed on or before	
	pletion of work filed	
	f of beneficial use filed
